

Aetna Life Insurance Company Outline of Medicare Supplement Coverage

Benefit Plans A, B, F, G and N are Offered

Medicare supplement contracts can be sold in only standard plans. This chart shows the benefits included in each plan. Every insurance company must offer Plan "A." Some plans may not be available.

Basic Benefits:

- **Hospitalization** - Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.
- **Medical Expenses** - Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insured to pay a portion of Part B coinsurance or copayments.
- **Blood** - First three pints of blood each year.
- **Hospice** - Part A coinsurance.

Aetna Life Insurance Company Outline of Medicare Supplement Coverage

Benefit Plans A, B, F, G and N are Offered

*Plan F also has an option called a “high deductible Plan F.” This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,110 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,110. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the Plan’s separate foreign travel emergency deductible.

**Plans K and L provide for different cost-sharing for items and services than the other plans.

Once you reach the annual limit, the plan pays 100% of the Medicare copayments, coinsurance, and deductibles for the rest of the calendar year. The out-of-pocket annual limit does NOT include charges from your provider that exceed Medicare-approved amounts, called “Excess Charges.” You will be responsible for payment of excess charges.

***The out-of-pocket annual limit will increase each year for inflation.

PREMIUM INFORMATION

We, Aetna Life Insurance Company, can only raise your premium if we raise the premium for all policies like yours in this state, when your age changes or to coincide with changes in Medicare. Aetna will send a written notice at least 31 days before the change becomes effective.

The monthly premiums shown will apply when payment is made on a monthly direct billed basis. If you elect to have your premium payments automatically deducted from your checking account (Electronic Funds Transfer program) or you pay on a quarterly, semi-annual or annual basis, you will receive a \$2 discount on your premium per month. Therefore, the monthly premium rate will be \$2 less than the amounts shown in the chart. To obtain quarterly premium, multiply the monthly premium by 3. For semi-annual premium and annual premium, multiply the monthly premium by 6 or 12, respectively. Discounts of \$6, \$12 and \$24 then apply to quarterly, semi-annual and annual premiums, respectively.

If you smoke and you enroll other than during the Medicare Supplement Open Enrollment and Guaranteed issue rights periods, a smoker premium rate will apply. Please refer to the Guaranteed Issue Guidelines notice included in your enrollment materials for details on open enrollment and guaranteed issue rights. Smoker premium rates are determined by multiplying the premium shown by a factor of 1.10.

Guaranteed Issue Guidelines

FOR INDIVIDUALS WHO ARE 65 YEARS OF AGE OR OLDER AT THE TIME OF ENROLLMENT:

In some situations, you are eligible for Guaranteed Issue of a Medicare Supplement Plan. If one of the following conditions applies to you, you are eligible for an Aetna Individual Medicare Supplement PlanSM on a guaranteed issue basis ("Eligible Person") and you will not be required to complete the Statement of Health Questions section of the Application.

FOR INDIVIDUALS WHO ARE LESS THAN AGE 65 AT THE TIME OF ENROLLMENT AND DO NOT HAVE END STAGE RENAL DISEASE (ESRD):

In some situations, you are eligible for Guaranteed Issue of Medicare Supplement Plan. If one of the following conditions applies to you, you are eligible for an Aetna Individual Medicare Supplement PlanSM on a guaranteed issue basis ("Eligible Person") and you will not be required to complete the Statement of Health Questions section of the Application.

Enrollment for under age 65 individuals is permitted only during the Open Enrollment and Guaranteed Issue Time Periods and for the policies referenced below.

Open Enrollment - You are eligible for Guaranteed Issue if you meet one of the following requirements:

- A. You apply for an Aetna Individual Medicare Supplement Plan insurance policy prior to or during the six-month period beginning with the first day of the month in which you are enrolled for benefits under Medicare Part B and:
 - (i) You are at least age 65, or
 - (ii) You are less than age 65 and eligible for Medicare on account of total disability **(other than End Stage Renal Disease)**. If you are notified retroactively of your eligibility for Medicare, you are eligible for the six month period following notice of eligibility.

- B. You are enrolled in Medicare Part B and you apply for an Aetna Individual Medicare Supplement Policy within six months of one of the following events:
 - (i) You are enrolled in an employer sponsored health plan (including an employer sponsored retiree health plan, COBRA and Cal-COBRA) and
 - the plan terminates, or
 - you are enrolled under the plan as a spouse and are losing coverage under the plan due to death or divorce from your spouse, or

- (ii) You are a military retiree or the spouse or dependent of a military retiree and you are losing access to health care services as the result of a military base closure, the base no longer offers services or you relocate, or
- (iii) You are covered under a Medicare supplement policy and coverage terminated because you established residency in a location not served by the issuer of the Medicare supplement policy for which you are enrolled, or
- (iv) Due to an increase in your income or assets, you are no longer eligible for Medi-Cal benefits, or you are only eligible for Medi-Cal benefits with a share of cost and you certify at the time of application that you have not met the share of cost.

C. If you are enrolled in a Medicare supplement policy, you may change your plan or insurer during an annual open enrollment period of 30 days beginning on your birthday. Your purchase is limited to any Medicare supplement policy that offers benefits equal to or lesser than those provided by the previous coverage.

You must submit evidence that you have Medicare Parts A and B with your Application.

With respect to the Open Enrollment events outlined above:

Pre-Existing Conditions - This policy does not pay benefits for loss which occurs within six months after the Effective Date as a result of a pre-existing condition. A pre-existing condition is any injury or illness for which the insured has received, or has had recommended, medical advice or treatment during the six months before the Effective Date. Please note that pre-existing conditions will be covered after six months from the Effective Date. This exclusion does not apply to loss which occurs more than six months after the Effective Date.

If you apply for the policy during the 6 month period beginning with the first of the month in which you are eligible, and as of the date you apply you had a continuous period of **Creditable Coverage** of at least 6 months, the pre-existing conditions limitation will not apply to you.

If you apply for the policy during the 6 month period beginning with the first of the month in which you are eligible, and as of the date you apply you had a continuous period of **Creditable Coverage** of less than 6 months, the pre-existing conditions limitation will be reduced by the aggregate of the period of **Creditable Coverage** applicable as of your enrollment date.

With respect to "Other Situations" outlined below:

The pre-existing conditions exclusion will not be applied.

Other Situations - You are eligible for Guaranteed Issue for an Aetna Individual Medicare Supplement Plan insurance policy if you apply for the policy in the **Guaranteed Issue Time Periods** described below. You submit evidence of the date of termination or disenrollment with the Application, and you meet one of the following conditions:

1. You are enrolled in an employee welfare benefit plan that provides health benefits that supplement the benefits under Medicare, and
 - a) the plan terminates or ceases to provide such supplemental health benefits to you; or

b) the employer no longer provides you with insurance that covers all of the payment for the 20% coinsurance.

2. You are enrolled with a Medicare Advantage organization under a Medicare Advantage Plan (the "Plan") under Medicare Part C or under a Program of All-Inclusive Care for the Elderly (PACE) and any of the following apply:

- The certification of the organization or plan under this part has been terminated; or
- The organization has terminated or otherwise discontinued providing the Plan in the area in which you reside; or
- You are no longer eligible to elect the Plan because:
 - (i) of a change in your place of residence or other change in circumstances specified by the Secretary of the Department of Health and Human Services (the "Secretary"), excluding those circumstances where you were disenrolled from the Plan for any of the reasons described in Section 1851 (g)(3)(B) of the federal Social Security Act (e.g., where you have not paid premiums on a timely basis, or you have engaged in disruptive behavior as specified in standards under Section 1856); or
 - (ii) the Plan is terminated for all enrollees residing within a particular residential service area; or

You are enrolled in a Medicare Advantage Plan and that plan reduces benefits, increases the amount of cost sharing or premium or discontinues for other than good cause relating to quality of care, its relationship or contract under the plan with a provider who is currently furnishing services to you. Under this subparagraph, you may be eligible for a Medicare supplement policy issued by the same issuer through which you were enrolled at the time the reduction, increase or discontinuance occurred or one issued by a subsidiary of the parent company of that issuer or by a network that contracts with the parent company of that issuer. If no Medicare supplement contract is available to you from the same issuer, a subsidiary of the parent company of that issuer or a network that contracts with the parent company of the issuer, you may be eligible for a Medicare supplement policy if the Medicare Advantage plan in which you are enrolled does any of the following:

- a) increases the premium by 15 percent or more;
- b) increases physician, hospital or drug copayments by 15 percent or more;
- c) reduces any benefits under the plan; or
- d) discontinues, for other than good cause relating to quality of care, its relationship or contract under the plan with a provider who is currently furnishing services to the individual,

however, enrollment shall be permitted only during the annual election period for a Medicare Advantage plan, except where the Medicare Advantage plan has discontinued its relationship with a provider currently providing services to you.

- You demonstrate, in accordance with guidelines established by the Secretary, that:
 - (i) The organization offering the Plan substantially violated a material provision of the organization's contract with the Centers for Medicare and Medicaid Services

in relation to you, including the failure to provide you, on a timely basis, with medically necessary care for which benefits are available under the Plan, or the failure to provide such covered care in accordance with applicable quality standards; or

(ii) The organization or agent or other entity acting on the organization's behalf, materially misrepresented the Plan's provisions in marketing the Plan to you; or

- You meet such other exceptional conditions as the Secretary may provide.
- If you are enrolled in a Medicare Advantage plan and that coverage is terminated by the Medicare Advantage plan, you are entitled to an additional 60-day open enrollment period to be added on to and run consecutively after any open enrollment period authorized by federal law or regulation.

3. You are enrolled with:

- An eligible organization under a contract under Section 1876 (Medicare cost); a similar organization operating under demonstration project authority, effective for periods before April 1, 1999; an organization under agreement under section 1833(a)(1)(A) (health care prepayment plan); or an organization under a Medicare SELECT policy; and
- Your enrollment ceases under the same circumstances that would permit discontinuance of an individual's election of coverage under Section 2 above.

4. You are enrolled in a Medicare supplement policy and the enrollment ceases because:

- Of the insolvency of the issuer or bankruptcy of the non-issuer organization; or
- Of other involuntary termination of coverage or enrollment under the policy; or
- The issuer of the policy substantially violated a material provision of the policy; or
