Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

Use this outline to compare benefits and premiums among policies. Medicare deductibles and coinsurance amounts are effective as of January 1, 2011. Medicare may change their amounts annually.

**This outline shows benefits and premiums of policies sold for effective dates on or after June 1, 2010. Policies sold for effective dates prior to June 1, 2010 have different benefits and premiums. Plans E, H, I, and J are no longer available for sale.**

### **Read Your Policy Very Carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Anthem Blue Cross.

### **Right to Return Policy**

If you find that you are not satisfied with your policy, you may return it to us at our Administrative Office: PO Box 9063, Oxnard, CA 93031-9063. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

### **Notice**

This policy may not fully cover all of your medical costs. Neither Anthem Blue Cross nor its agents are connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult *Medicare and You* for more details.

### **Complete Answers are Very Important**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

- \* A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.
- \*\* This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2000 deductible. Benefits from the high deductible plan F will not begin until out-of-pocket expenses are \$2000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. This includes the Medicare deductibles for Part A and Part B, but does not include the plan's separate foreign travel emergency deductible.
- \*\*\* NOTICE: When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

## Medicare Supplement Guaranteed Issue Guideline

**Important:** Please note this Guide is only a summary, and is intended to help you identify the different situations that may qualify you for a Guaranteed Acceptance into an Anthem Blue Cross Medicare Supplement Plan.

Listed below are situations in which a Medicare applicant/member has the right to purchase a Medigap policy. These rights are commonly called Guaranteed Issue (GI) rights. In these circumstances, acceptance into a Medicare Supplemental policy is guaranteed regardless of the applicant's medical condition(s).

Anthem Blue Cross offers certain Medicare Supplement plans on a Guaranteed Issue basis. The plans available may vary depending on the individual's Guaranteed Issue situation.

### Situations

- 1. Part B effective date:** You are eligible for Guaranteed Issue if you are (a) at least 65 years of age, or (b) if you are under age 65 and do not have End Stage Renal Disease; and you apply for an Anthem Blue Cross Medicare Supplement Plan prior to or during the six-month period beginning with the first day of the month of your Part B effective date. *With your application, you must submit* evidence that you have Medicare Parts A and B.
- 2. Disabled and receiving Medicare benefits prior to your 65<sup>th</sup> birthday:** Upon your 65<sup>th</sup> birthday you will receive a 6-month Guaranteed Issue period beginning with the first of the month in which you reach age 65. *With your application, you must submit* evidence that you have Medicare Parts A and B.
- 3. Termination of coverage or reduction of coverage under a group-sponsored health plan:** If you are receiving health care coverage through your group employer and you decide to terminate the group plan, or the benefits of the group plan are reduced, you are entitled to a 6-month Guaranteed Issue period beginning on the date of termination or benefit reduction. *With your application, you must provide* proof of disenrollment or benefit reduction.
- 4. Medicare Advantage (MA) coverage ends due to the Plan leaving the program or area:** You have 123 days (60 days prior to the date of termination and no more than 63 days after the date of termination) to select a Medigap plan from any company in the area. *With your application, you must provide* proof of disenrollment.
- 5. Termination of health care for military retiree or spouse or dependents due to military base closure, or if the base no longer offers services, or if you relocated:** If you are a Medicare-eligible military retiree or dependent and at least 65, you are entitled to a 6-month Guaranteed Issue period beginning the date you lost health care services at the military base. *With your application, you must provide* proof of termination of prior insurance.

(continued)

6. **Upon becoming eligible for Medicare benefits at age 65, you enrolled in a MA plan and then disenrolled within 12 months:** You are entitled to a Guaranteed Issue period of 63 days beginning with the date of disenrollment from the MA plan. *With your application, you must provide* proof of prior insurance.
7. **Disenroll from a Select, PACE or MA plan within 1 year of leaving a Medigap policy for the first time.** You are entitled to re-enroll in your original Medigap policy within 63 days of your disenrollment in one of these plans, beginning with the date of termination. This must be your first time enrolled in a Select, PACE, or MA plan. *With your application, you must provide* proof of prior insurance.
8. **Birthdays Rule:** You are entitled to acceptance into equal or lesser value plans for 30 days beginning on your birthday. You must have a Medicare Supplement Plan and, *with your application, you must provide* proof of prior coverage.
9. **Leave your plan as a result of fraud committed by the plan:** You are entitled to a 63-day Guaranteed Issue period beginning with the latter of the date of termination or the fraud determination date. *With your application, you must provide* proof of prior coverage and provide a determination letter stating the plan was at fault.
10. **Your Anthem Blue Cross MA plan reduces benefits, increases the cost sharing amount, or discontinues a provider for other than good cause:** If any one of these events occurs, you are entitled to a Guaranteed Issue period of 63 days. *With your application, you must provide* proof of prior coverage.
11. **If you lost coverage because you moved out of the service area of your plan,** you are entitled to a Guaranteed Issue period for up to 6 months following the termination of your contract. *With your application, you must provide* proof, such as a letter from your prior carrier stating, “You will no longer have coverage due to moving out of the covered service area.”
12. **If you had Medi-Cal or Medicare benefits and have lost eligibility for those benefits,** you are guaranteed acceptance into a Medicare Supplement plan, provided that you apply within 6 months of losing eligibility that you received from Medi-Cal or Medicaid. *With your application, you must provide* a copy of the notice of loss of eligibility that you received from Medi-Cal or Medicaid.
